

Topics for Speech Contests in Chiayi City
2022

Teachers Group

1. The pros and cons of online distance teaching and traditional classroom teaching
2. Compare the following three teaching modes: A) to teach the content of textbooks, e.g. the textbooks of social studies, of math, or of language; B) to teach a subject, e.g. English, art history, or chemistry; C) to teach a class of learners, i.e. your students.
3. What are the functions/purposes of testing at school?

Senior High School Group

1. My primary goals of high school learning
2. Do you prefer online distance learning or traditional classroom learning?
And why?

Junior High School Group

1. The skill(s) I have been learning and practicing for the last few years
2. My understanding of a healthy diet
