

Topics for Speech Contest in Chiayi City 2023

September 16

Teachers Group:

1. What are the advantages and disadvantages of adopting a bilingual education policy in Taiwan? Are there any other alternatives?
2. What are the major difficulties that you know of when adopting the Content and Language Integrated Learning (CLIL) model in local schools?
3. Facing the ever-decreasing birthrate in Taiwan, what are your suggestions to our government, concerning the education related policy making?

Senior High School Group:

1. Please compare the learning style and efficiency at cram-schools and those at regular (or your) schools.
(Note: for those who have never gone to any cram-schools, you can answer this question: Do you need to go to cram-schools for further learning? Why and why not?)
2. Give examples to describe how much of your current subject/course-related knowledge is from the classroom instruction, (that is, from your teachers), and how much is from your own work, (that is, besides the school instruction)?

Junior High School Group:

1. What would (did) you do to help when your friends (or classmates) are (were) feeling upset, in troubles, or in difficulties?
2. What did your parent(s) do that has influenced you most, and how has it affected you?
